

You sell an SDE product
to your customer.

SDE delivers your
customer on your
behalf.

Dropshipping

A new service from SDE group

Thanks to dropshipping application

- The entire SDE range is available from your store (over 5000 skus).
- You can access all the catalogues from the different brands as well as all the pictures from all product.
- You know the stock availability, updated every hour.
- You simply request the delivery to be done at your customer address (or at your shop address if you prefer)
- You can place your order and track you customer delivery.
- Goods are prepared (all products available by one unit) and leave our warehouse within 1 working day (lead-time between order entry and reception by your customer depends on your customer location. Should be less than 4 days).
- This service is charged 15% of price, + shipping cost (6€ for France, 12€ to 18€ for close Europe, 24€ for far Europe)
