Grow

2018 / 19

6 years imagining and creating decoration for all ages
kids room...

Style

Rugs, poufs, cushions, stools and storage baskets,...

Poetry and sense of humour,... a quirky and free style ...
Joy and daydream... a light and creative style.

For all young at heart : a transversal and contemporary style.

Products and Know How

Strong and resistant products, easy to clean,... adapted
to all kids room.

A craftsmanship magnifying natural materials in a very
actual style, authentical and inspired by present time
way of life.

Technological processes for a perfect manufacturaing of
innovating products.

Partnerships and commitments

A true commitment and and a real suppliers partnership
in order to offer products done in both an environment
conscious and a human respect.

Aimed for the youngest ones, kids friendly products,
100% safe, tested and retested to reach the highest
quality and security standards such as the Oekotex label.

A circular, golden-brown crocheted doily with a scalloped edge and intricate lace patterns. The doily features a central star-like motif surrounded by concentric rings of delicate lacework, including small holes and textured stitches. The overall shape is perfectly round with a decorative, wavy outer border.
