

VIVARAISE

AUTOMNE/HIVER 2019 FALL/WINTER

Inspiration COLLECTION AH19

Cet hiver 2019, Vivaraise s'enrichit des collections phares de la marque Winkler.

La fourrure, les brodés géométriques, les imprimés jouent la douceur et viennent animer les collections emblématiques Vivaraise. Elise se pare de coloris vibrants tels que le rouge Griotte et l'orange Marmelade. Les coussins brodés mains s'invitent sur les plaids et couvre lit de la nouvelle collection velours à franges Fara.

De nouveaux coloris pour nos cotons en nid d'abeille et la gamme Zeff prend de la profondeur avec un nouveau coloris Tonnerre.

COLLECTION FW19

Trademark Winkler's signature collections will enrich Vivaraise for the upcoming winter 2019.

The fur, geometrically shaped embroidered products, printed fabrics "jouent la douceur" and fill with life signature Vivaraise collections. Elise attire herself in vibrant shades as Griotte red and Marmelade orange.

Cushion embroidered by hand invite themselves on the plaids and bedspread of the new collection Fara velvet fringes

New shades for our honeycomb-shaped cottons and the Zeff product range gets deeper with a new shade "Tonnerre"
