

A close-up photograph of an olive branch. The branch is covered with small, dark green, elongated leaves. Interspersed among the leaves are several olives in various stages of ripeness. Some are bright green, some are a deep purple, and some are a reddish-pink color. The background is a soft, out-of-focus blur of more foliage and branches, creating a sense of depth. The lighting is natural, highlighting the textures of the leaves and the smooth surfaces of the olives.

COLLECTION PE 2020

Pour ce printemps été 2020, Vivaraise met l'accent sur la fantaisie avec des collections en lin ou en coton imprimé, des coussins brodés et jacquard, aux finitions délicates et élégantes.

Ils viennent animer les piqués de coton aux coloris frais et les velours emblématiques pour des mises en scène coordonnées et des intérieurs riches en couleurs.

For this Spring Summer 2020, Vivaraise focuses on fantasy with collections in linen or printed cotton, embroidered cushions and jacquard, with delicate and elegant finishes.

They come to animate the structured cotton quilts in fresh colors and the emblematic velvet for coordinated atmospheres and interiors rich in colors.
