You sell an SDE product to your customer.

SDE delivers your customer on your behalf.

# Dropshipping

# A new service from SDE group

# Thanks to dropshipping application

- The entire SDE range is available from your store (over 6000 #).

- You can access all catalogues from all brands, as well as all the pictures from all product. https://www.sde.fr/en/photos-en/

- You know the stock availability, updated every hour:
  XML format : http://www.sde.fr/e/products.xml
  CSV format : http://www.sde.fr/e/products.csv

- You simply request the delivery to be done at your customer address (or at your shop address if you prefer).

- You can place your order and track the delivery 24/7.

- All products can be ordered as single unit. Goods leave our warehouse within 1 working day (lead-time between order entry and reception by your customer depends on your customer location. Should be less than 4 days).

- No minimum order, free service, you only pay a fee for the freight : France 9€, main European countries :12€, whatever the size of the order.

# LOGIN

You go to www.sde.fr/dropshipping

Login is your customer number (that you find on your invoices).
You should ask us for password for first connection.

Enter your login and password
