

Cette saison, **Automne Hiver 2022**, Vivaraise propose un univers qui n'a pas peur de se démarquer des classiques!

Les imprimés ont le vent en poupe pour créer un intérieur unique et égayer les espaces de vie!

Les matières se mêlent dans des mariages impertinents et les matières naturelles sont plus que jamais dans l'air du temps avec l'émergence du chanvre associées à des tissus chaleureux.

Les couleurs chaudes et lumineuses se conjuguent avec des teintes plus sourdes et douces pour des rendus audacieux et créatif.

This season, **Autumn Winter 2022**, Vivaraise proposes a universe that is not afraid to stand out from the classics!

Prints are in vogue to create a unique interior and brighten up living spaces!

The materials are mixed in impertinent marriages and natural materials are more than ever in the air of time with the emergence of hemp associated with warm fabrics.

Warm and luminous colours are combined with more muted and soft shades for bold and creative results.
